**Regional Constitution**

Dear friends

At its meeting on 20-22 November 2015, the European Committee examined the Regional Constitution in light of discussions.

1. Attached are the proposed changes to the Regional Constitution made by the European Committee – as a separate document and as a document with the changes underlined.
2. NSOs are invited to make additional proposals for changes to the Regional Constitution. Each proposal must be proposed and seconded by different NSOs.
3. NSOs are also invited to make additional proposals for changes to the Additional Rules of Procedure.

To comply with the Regional Constitution, any proposals for changes should be advised at least four months prior to the start of the Regional Conference, i.e. by 17 February 2016 at the latest. Such proposals will be shared with NSOs as soon after as practicably possible, including any rationalisation of multiple proposals.

NSOs are encouraged to discuss the proposed changes with Committee members and the Regional Director in advance of the four-month deadline.

Yours sincerely

David McKee  
Regional Director
