Call for Nominations for election to the European Scout Committee

Dear friends

To comply with our constitutional requirements, we are pleased to send you formal notification of the call for nominations for election to the European Scout Committee at the elections to be held at the 22nd European Scout Conference in Norway from 17 to 21 June 2016.

The European Scout Committee will comprise six members from National Scout Organizations in accordance with the Constitution of the World Organization of the Scout Movement, the Constitution of the European Scout Organization and the proposed Rules of Procedures for the 22nd European Scout Conference.

We would like to draw your attention to some specific and important points:

- The nominations should be submitted by a National Scout Organization that has cleared its membership subscription payments to WOSM at world and regional levels. The enclosed nomination form should be completed and sent to the World Scout Bureau – Europe Support Centre in Geneva, no later than Friday 17 February 2016, to comply with the Constitution of the European Scout Organization. The nominations will be translated into the two official languages of European Scouting and will form a Conference Document.
- The term of service for a committee member is 3 years, renewable once, making a possible total of 6 years. Committee members are elected at the European Scout Conference by National Scout Organizations. The European Scout Committee strongly encourages member organizations to nominate young members to serve on the European Scout Committee.
- The European Scout Committee induction meeting, which will follow the Conference, will be advised at the time of confirmation of receipt of the application.

We would like to emphasise the need and the importance of selecting good nominees who will be able to contribute effectively to the work of the Region. It is also important that the Committee consists of members with experience in various categories of National Associations and from as varied a geographical and cultural distribution as possible. In order to help you in this choice, we have prepared a role description to be taken into consideration.

If you have any questions or would like further clarification do not hesitate to contact us.
Yours sincerely

David McKee
Regional Director
