**Clarification on attendance and other constitutional rights**

Dear friends,

Following a number of requests for clarifications concerning who has the right to be a Delegate at WOSM constitutional events, we requested a full elaboration of the current situation, so that everyone is aware of the regulatory framework under which Regional Support Centres are required to operate including permitting the designation of Delegate, particularly where the registration comes from a female member of a Scout and Guide National Organisation (SAGNO).

It has always been the position of the Region to advise that female members of SAGNOs cannot be registered as Delegates. Instead they may be registered as Observers.

This means also that female members of SAGNOs cannot propose or second Resolutions at the Regional Conference.

I wish also to clarify that in matters not relating to constitutional matters, we welcome all members from WOSM only organisations and SAGNOs as equal members of working groups at Regional Level as has been the case for a very long time.

Although these positions have been in place for many years, I hope the attached factsheet produced by the world level assists those for whom the issue has not been clear.

I remain at your disposal for further advice.

With kind regards,

David McKee  
Regional Director
